

# IS YOUR CONTROL PANEL COMPLIANT?

## INSPECT. IDENTIFY. IMPROVE.

Use our Control Panel Compliance Inspection Checklist to ensure your panels meet IEC, BS and CE standards and reduce risk across your facility.

### REDUCE RISK

Identify non-compliance and prevent safety issues before they happen.

### IMPROVE COMPLIANCE

Ensure your panels meet IEC, BS and CE requirements.

### PROTECT YOUR BUSINESS

Stay audit-ready and avoid costly downtime or enforcement action.
